

Some of my favorite resources:
Diane Miller

LIGHTROOM DEVELOP MODULE:

Michael Frye, "Landscapes in Lightroom" (applies to Adobe Camera Raw also and not limited to landscapes)

<http://www.michaelfrye.com/landscapes-in-lightroom/>

PRINTING:

Martin Bailey, "Making the Print"

<https://craftandvision.com/products/making-the-print>

NIGHT PHOTOGRAPHY AND THE MILKY WAY:

Alister Benn, "Seeing the Unseen – How to Photograph Landscapes at Night"

<https://itunes.apple.com/gb/book/how-to-photograph-landscapes/id957345225?mt=11>

And also some web articles by him:

<http://blog.topazlabs.com/shooting-for-the-stars/>

<http://blog.topazlabs.com/shooting-for-the-stars-ii-alister-benn/>

Royce Bair, "Milky Way Nightscapes"

<http://intotheneightphoto.blogspot.com/2015/01/milky-way-nightscapes-ebook-preview.html>

David Kingham, "Nightscape"

<https://craftandvision.com/products/nightscape>

Ian Norman and Diana Southern:

<http://www.lonelyspeck.com/astrophotography-101/>

<http://www.lonelyspeck.com/medium-format-astrophotography-with-panorama-stitching/>

ASTRONOMY AND ASTROPHOTOGRAPHY:

Allan Hall

<http://www.allans-stuff.com/astrophotography/>

Jerry Lodriguss

<http://www.astropix.com/>

NASA Astronomy Picture of the Day:

<http://apod.nasa.gov/apod/ap130923.html>

Timothy Ferris, books and website:

<http://www.timothyferris.com/>

Chris White astrophotography blog:

<http://www.whitephotogallery.com/>
